made for Hanbal-Devarunda road and suggesting that the amount may be utilized for metalling a portion of the Bisle ghat road.

Resolution.—Resolved that the Board are of opinion that there are several portions of the District Fund roads in the Manjarabad Taluk in great need of thorough repairs; and that it would be far more desirable to devote this unexpended mileage allotment for the improvement of such roads than to add it to the very large funds already expended on the Bisle ghat road over which there is very little traffic. The Board take this opportunity of bringing to the notice of the Executive Engineer the bad state of the Banawasi-Yeslurpet road, particularly the portion passing through Yeslurpet itself and suggest that this unexpended mileage allotment of the Hanbal-Devarunda road be transferred for the improvement of this road and the Bage-Belur road which is an important road of communication between Manjarabad and Belur Taluks and requires frequent repairs.
